

COURSES FOR SCHOOLS AND UNIVERSITY GROUPS

ITACA has considerable experience in working with young students. We recommend you to consider the best period for your students to travel abroad and meet native young Spanish students who will help them to practise their Spanish level. Spend a week in Granada and improve your students' Spanish!

We organize tailor-made programmes, according to the needs of your organization.

We arrange accommodation, insurance, cultural programmes, trips and any other service you may need during your stay in Spain.

Let your students have fun and learn in Granada. They will have an unforgettable time!
